

DPRG Standing Rules

Rev 0.5, approved on Jan 11, 2020

Standing Rules

These are the standing rules of the Dallas Personal Robotics group. They are the policies and practices of the organization. They are made public on the DPRG website. Standing rules are made by action of the DPRG Board of Directors.

Changes to standing rules are to be announced at the next available member meeting, and member input on the rule changes accepted for consideration by the board.

Roborama

Roborama is the DPRG semi-annual robot contest. Non-members as well as members may compete. The board may set an entry fee for non-members. All competitors are eligible for prizes.

Family Membership

Immediate family of a paid regular member are entitled to be honorary members of the DPRG. Decided by BoD 6/28/11.

Spending Limit

The board was authorized by a member vote to spend up to \$300 without requiring a member vote to approve the expenditure. Approved by vote at member meeting with a quorum on 1/11/2020.
