Chris, is this the Adifruit module?

Doesn't it have an onboard 5 to 3.3 v regulator?

doug paradis
7:47 PM

Chris, what if you feed 5 v into the Vin pin

doug paradis
7:50 PM

do both the oled and the Adifruit module have i2c pullups?

doug paradis
7:54 PM

does the bno055 work by itself with the oled out of the circuit

Pat Caron
9:26 PM

Good night guy, see you next week
