

DPRG RBNV Chat Record – 5/24/2022

Pat Caron

7:38 PM

From LearnOpenCV <https://www.youtube.com/watch?v=40GqhTrMcNA> A very good talk with solid advice on how to check the quality of object detection datasets.

Karim Virani

8:06 PM

Good robot parts sources:

<https://www.revrobotics.com/>

<https://www.vexrobotics.com/>

<https://www.pololu.com/>

Ted Meyers

8:07 PM

Teensy - arduino compatible, but much more powerful: <https://www.pjrc.com/teensy/>

Ray

8:08 PM

www.sparkfun.com

Ray

8:11 PM

www.randomnerdtutorials.com has great guides/tutorials

Doug Dodgen

8:13 PM

<https://www.pololu.com/product/4022>

Doug P.

8:25 PM

A good 2nd book on Arduino is "Programming Arduino Next Steps" by Simon Monk

Ray

8:25 PM

Exploring Arduino by Jeremy Blum - and Beginning C for Arduino by Dr. Jack Purdum

Doug P.

8:34 PM

dprg.org is the website of the club

Doug P.

8:51 PM

Good Robot part sources: adafruit.com, robotshop.com

servocity.com is another good site

Ted Meyers

8:52 PM

gobilda.com (similar to servo city)

Pat Caron

8:55 PM

Sparkfun discount code JESSEB2022

Doug P.

8:58 PM

code good for Sparkfun original products
