

DPRG RBNV Chat Record – March 28, 2023

Doug P.

7:57 PM

Iron Reign has advanced to FTC world competition.

Ray has updated his valve selection for his air blast robot.

Ponder SomeMore

8:01 PM

I've got to go - talk soon

Doug P.

8:01 PM

Pat showed his robot motors working.

Pat Caron

8:10 PM

Here is David Anderson's notes that describes the subsumption arbitrator code. <http://www.geology.smu.edu/dpa-www/robo/dprg-12jun2021/dprg-talk-1.pdf>

Doug P.

8:13 PM

Practice sessions on Sunday of April 13,20 or May 7 proposed.

Paul Bouchier

8:33 PM

Author of Arduino PiD library: Brett Beauregard. Library documentation at

<https://www.arduino.cc/reference/en/libraries/pid/>

Harold Pulcher

9:03 PM

here is my code for that breadboard bot: <https://github.com/pulcher/bb-pi/blob/main/src/breadboard-bot/breadboard-bot.ino>

Pat Caron

9:39 PM

Thanks guys, I have an early morning tomorrow. See you next week

Blue Steel

9:53 PM

Same here, thanks for the advice on the Sensor Shield! Doug, P. I just renewed my membership. Looking forward to the How to Build a Robot info.
