Ray Casler

12:29 PM

Are we keeping goole meetup?

Arun Raghu

12:34 PM

can we use Discord for general purpose chat?

Carl Ott

12:34 PM

I'll ask

Carl Ott

12:35 PM

Arun - I believe the answer is yes - that's the idea - general purpose / specific discussions - basically DPRG's Discord will offer more modern and real time interaction to complement those who still want to use email

keep

Pin message

can y'all hear the audience discussion? I'm having a hard time to get you good audio

Arun Raghu

12:42 PM

sounds good. 👍

Carl Ott

12:46 PM

Doug described a time of flight sensor (now discontinued) that gave a different range based on color of target !

Ray Casler

12:48 PM

Doug did you use duck brand tape??

Carl Ott

12:50 PM

Ray - his more reddish one was from Home Depot - but the bottom / brighter orange one was Duck Tape
