

DPRG RBNV Chat Record – May 7, 2024

Jim F - CalgaryAB

7:39 PM

Hello from Calgary

Paul Bouchier

7:41 PM

Discord invite <https://discord.gg/rqCYYBsG>

Carl Ott

7:42 PM

~7:42pm - Scott showed "YAR" a new robot he's aptly named "Yet Another Robot".

Ray Casler

7:43 PM

What is the reason for the discord invite to keep changing?

You

7:44 PM

GOLD STAR FOR Scott!

Carl Ott

7:45 PM

Ray- the invites only last for a week. At least that was the case also a few years ago when Murray first started the one he started...

Ted Meyers

7:51 PM

PiDog -- Mind the Gap!

Carl Ott

7:52 PM

~7:50pm - Paul showed Pi-Dog moving around and making sound (and keeping it's head / staying on the desk this time). GOLD STAR!

Carl Ott

7:55 PM

Wow - Paul also showed PiDog doing Quick Trip. That has to be one of the first such demos for a legged robot at DPRG. Currently using "odometry" - just counting steps. Another GOLD STAR

Carl Ott

8:00 PM

~7:57pm - Jon showed his ROZ walking robot on a test stand. Another GOLD STAR

Jon Hylands

8:00 PM

<https://www.tindie.com/products/onehorse/ultimate-sensor-fusion-solution-mpu9250/>

Paul Bouchier

8:00 PM

Jon showed Roz robot moving stopping/starting in response to touches on the URC touch screen

Carl Ott

8:55 PM

Building a Hive Mind...

Mike Williamson

8:56 PM

I thought they were beanie caps.

Ray Casler

8:56 PM

Do they do psychotropic therapy?

Ponder SomeMore

9:05 PM

hey Ray, if you are super silent are you also super deadly?

Ray Casler

9:06 PM

I use ultrasonics.

ed mart

9:13 PM

Non-skid

Carl Ott

Ray Casler

9:26 PM

www.aixiz.com

Ponder SomeMore

9:28 PM

cross hairs: <https://www.amazon.com/Ouluxe-650nm-Laser-Adjustable-Industrial/dp/B08D3LKQOG/>

Ray Casler

9:31 PM

"the judge" = Doug P.

ed mart

9:38 PM

What version of KiCAD?

Doug P.

9:38 PM

8

ed mart

9:38 PM

Thank you

Paul Bouchier

9:45 PM

Doug found Xt90 PCB connectors on Amazon.

ed mart

9:50 PM

\$3.41 over budget

Jon Hylands

9:54 PM

I have to run, getting late.
